

DUNMORE DOINGS

RALLY IN THE PRESBYTERIAN CHURCH LAST NIGHT.

Was Conducted Under the Auspices of the City Christian Endeavor Union—Rev. M. L. Fior and Henry L. Peabody Delivered Addresses—Others Who Participated in the Exercises—Miss Myrtle Burns Has Accepted a Position at Wilkes-Barre—Other Notes.

In the Dunmore Presbyterian church last night a rally meeting, under the auspices of the City Christian Endeavor was held. Several selections were rendered by the church choir and

REV. M. L. FIOR.

the Sunday school orchestra. The 103d psalm was read responsively, led by Rev. W. F. Gibbons.

Rev. M. L. Fior, of the Calvary Reformed church, gave an interesting talk, that was much enjoyed. He impressed upon his hearers the necessity of having an ideal to which it should be their steady aim to attain. He urged as an ideal that all might reach after Jesus Christ, the great tabernacle of God among men.

Henry L. Peabody, who was formerly in the evangelistic work in company with B. Fay Mills, made a short address urging on his hearers the need of great faith. Great faith in God, great faith in men and great faith in ourselves is needed by every Endeavorer who would do the best work in the Christianizing of the world.

At the close of the service a social hour was spent in the church parlors, and refreshments were served by the local society.

ONLY TWO RESPONSES.

Some Public Service Companies Ignore City Treasurer.

City Treasurer Robinson has received but two responses to the letters which he sent out to the corporations coming under the provisions of the license tax ordinance passed some months ago by council.

It will be remembered that this ordinance provides for a tax of five per cent. on the gross receipts of the public service companies doing business in this city, the same to be due on the first of June of every year. The ordinance went into effect on April 1 and the city treasurer determined to try and see if he couldn't collect a tax for the year ending June 1. He sent out communications to the several companies asking for a statement of their gross receipts for the year ending on the above mentioned date.

The two replies came from the Consolidated Telephone and Central Pennsylvania Telephone companies. General Manager Wayland, of the former company, points out that a two per cent. tax cannot be collected from that corporation because of the provision in its franchise which provides for the collection of only a one per cent tax.

The general manager of the Central Pennsylvania company writes that even if this tax is legally assessable, it could be only collected for the year ending June 1, 1903. The Scranton Railway company, Scranton Illuminating, Heat and Power company and Scranton Gas and Water company have ignored the city treasurer's request.

SOLD WITHOUT A LICENSE.

T. W. Knowles Fined \$50 by Magistrate Millar Last Night.

T. W. Knowles, proprietor of the Eagle hotel at 309 Penn avenue, was arrested last night by the police on the charge of selling liquor without a license. When arraigned for a hearing before Magistrate Millar he admitted having sold bottled beer, but claimed he didn't know that was against the law.

"What was the stuff you've been drawing from faucets?" asked Superintendent Day.

"Oh, that was only Weiss beer and cider," replied Mr. Knowles.

The magistrate informed him that selling any kind of intoxicants, whether bottled or unbottled, without a license, is a violation of the law. No witnesses were examined because of Mr. Knowles' admission of his guilt. He was fined \$50 and costs.

DEATH OF PETER MAHON.

Was a Well Known Attorney and Former Resident of Scranton.

Peter A. Mahon, one of the leading members of the Northumberland county bar and a former resident of this city, died on Tuesday night last at the Hotel Florence in Philadelphia from peritonitis.

The deceased was a brother of Attorney James Mahon, of this city, and studied law with him when the latter was district attorney of the mayor's court and admitted to the Luzerne county bar in 1875. After a short practice in Wilkes-Barre he went to Shamokin, where he rapidly made a name for himself. He was elected district attorney of Northumberland county in 1883, and was re-elected three years later. The funeral will be held this afternoon.

WATKINS-MYERS.

Wedding Ceremony Performed in Green Ridge.

Frank Watkins and Miss Jennie F. Myers, daughter of Mr. and Mrs. John F. Myers, were married last night at the home of the bride's parents, 108 LeRoy street. The ceremony was performed by Rev. F. P. Doty, pastor of the South Scranton Methodist Episcopal church.

The bride was attired in a beautiful gown of white chiffon and was attended by Miss Evans. The groom was attended by Mr. Stevens, of Dalton. A reception followed the wedding ceremony and the couple left later on a wedding tour.

\$1,500 WAS PAID OUT.

Witnesses in Election Contest Receiving Their Money.

Three clerks in the office of the county commissioners were preparing warrants yesterday for the witnesses from the First, Second and Third wards in the Lusk-Kelly election contest.

The services of two clerks in the county treasurer's office were required to pay out the money.

About 1,100 witnesses were paid yesterday and about \$1,500 was paid out. The witnesses from the Fourth, Fifth and Sixth wards will be paid today.

TRAINING OF THE LION.

Interesting Chat with Madame Devere on the King of Beasts.

Mme. Pauline Devere, the intrepid French lion trainer, who will be seen here with the Hostock-Ferrari trained wild animal show at the Elks Carnival, is without question the greatest female lion subjugator the world has ever known.

Her mastery over the mighty forest monarch seems almost superhuman. Great, shaggy kings of the jungle obey her every command as submissively as dogs do their masters. In an entertaining talk about her pupils she recently said:

"I dearly love my lions, and they love me—as much as a lion can love—and they are lions all the same, and their love, like their other traits, is to a degree, a love of cruelty, cunning and treachery. Their very love, and the jealousy that accompanies it, may at any time cause one of them to tear me to pieces. If I chance to make too much over one of the others, a lion will all danger, even in his love. Once, in Minneapolis, where I was exhibiting, Nero sprang at me and nearly tore my arm off. Monarch bit me through the leg; and Duke bit me on the head, but got a mouthful of hairpins, hair and feathers, and was glad to let go. When Nero attacked me my lioness, Empress, leaped at him and grabbed him by the throat, throwing him backward away from me. She would bite me herself if she felt ugly, but she would go for any one of the others that did it."
